

FARMS FOR SALE In Sumner & Davidson Counties

We have listed over 100 large and small farms in these counties at prices from \$30 to \$300 per acre. Think of a good truck farm, or a general purpose farm on a pike for \$40 per acre; or a creek bottom and blue grass farm for \$100 per acre. You know these are too cheap and you should take advantage of the opportunity to get close to market, good schools and good roads.

Write, phone, or still better come and see us at once.
